

NAME of activity	Body painting
duration	5'-1h
audience	From 3, group of 10 max according to the materials
Pedagogical goal	Discovery and conscience of the body, introduction to painting, direct a character on stage, transformation. Auto-painting : use of colours, lines and shapes 2 by 2 : cooperation, trust, patience, game with colours
Description	- drawing on arms : kids reproduce drawings on their arm, or their friends' arms, from patterns. They also can propose patterns. The youngest children can fill drawn outlines, painted by trainers or just draw simple shapes. - Drawing on faces : decide a character, chose lines and colours, paint it in front of a mirror, or 2 by 2, or with a trainer.
Material	Make up. Body painting. Brushes, water, coton, makeup remover. Table and chairs Graphic patterns. Mirror
Space	Water point. Table and chairs, according to the number of participants.
Comments	With the youngest, it is better to help with painting outlines, or starting a figure that they will finish alone. Careful with the use of painting on the face (and eyes). More autonomy will be possible with elders.
Restitution	This workshop can help to prepare show from other workshops and illustrate characters of other disciplines. It can also become a parade, or a book with pics made of each painting, and then an exhibition.
